re: **Project Closeout for 427 Evans Avenue, Reno, NV**
Project Name: **427 Evans Avenue, City of Reno Redevelopment Agency**
NDEP Contract #: **06-015**

Dear Mr. Fortmann,

The Nevada Division of Environmental Protection has received and reviewed the letter report for the Addendum to the Phase I Environmental Site Assessment report submitted by your office as part of the Nevada Brownfields Program contract. The Nevada Brownfields Program has approved the submitted report without comments: therefore, the report represents a final deliverable under the Scope of Work governing the project. As the final task of the project scope of work, the approval of the assesement report also signifies project closeout.

As part of closeout, please submit any outstanding invoices for work related to the project. A final invoice should be prepared, marked as "final", and submitted to reflect all outstanding work.

If you have any questions regarding this matter, please feel free to contact me at (775) 687-9379.

Sincerely,

Lisa Johnson, CEM, CHMM
